PRAYER TO OUR LADY, HEALTH OF THE SICK

O Mary, you shine continuously on our journey as a sign of salvation and hope.

We entrust ourselves to you, Health of the Sick.

At the foot of the Cross you participated in Jesus' pain, with steadfast faith.

You, Salvation of your People, know what we need.

We are certain that you will provide, as you did at Cana of Galilee, so that, joy and feasting might return after this moment of trial.

Help us, mother of Divine Love, to conform ourselves to the Father's will and to do what Jesus tells us:

He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Amen.

We seek refuge under your protection, O Holy Mother of God.

Do not despise our pleas - we who are put the test and deliver us from every danger, O glorious and blessed Virgin.

RYDALMEN

Our next men's group meeting will be **Wednesday 22nd July** at 7.30pm (for 7.45pm start) in the Parish meeting room. **Please contact Shane (0468 563 089 or shane.young@ozemail.com.au) if you intend coming as we need to adhere to COVID protocols.** We will definitely finish our study of St Paul's famous speech in the Areopagus so come and enjoy the fruits of fellowship in these times of isolation.

FEAST OF THE WEEK

Friday, 24 July – St. Charbel

Youssef Antoun Makhoul was born in 1828, in Bekaa Kafra (North Lebanon). He had a true Christian upbringing, which had given him a passion for prayer. In 1851, he left his family village and headed for the Our Lady of Maifouk monastery to spend his first monastic year, and then he went to the St Maron monastery in Annaya, where he entered the Maronite Order, carrying the name Charbel, a name of one of the Antioch church martyrs of the second century. He was a typical saint and hermit, who spent his time praying and worshipping. On December 16th, 1898 he was struck with an illness while performing the holy mass. He died on Christmas' eve, December 24th, 1898, and was buried in the St Maron monastery cemetery in Annaya. Few months later, dazzling lights were seen around the grave. In 1950, the grave was opened in the presence of an official committee which included doctors who verified the soundness of the body then the variety of healing incidents amazingly multiplied.
